

ELECTRONIC FUNDS MANAGEMENT POLICY

PURPOSE

The purpose of this policy is to set out how our school will manage electronic funds in accordance with applicable Department of Education and Training policy and law.

SCOPE

This policy applies to:

- all staff/responsible persons involved in management of funds transacted electronically
- all transactions carried out by Middle Indigo Primary School via the methods set out in this policy

POLICY

Middle Indigo Primary School has developed this policy consistently with the [Schools Electronic Funds Management Guidelines](#) and [Section 4 Internal Controls](#) of the Finance Manual for Victorian Government schools.

Implementation

- Middle Indigo Primary School council requires that all actions related to internet banking are consistent with The Department's [Schools Electronic Funds Management Guidelines](#).
- Middle Indigo Primary school council approves the use of Westpac business online as the approved software for all internet-banking activities as individual authority and security tokens are required.
- All payments through internet banking software must be consistent with Department requirements and must be authorised by the Principal and one other member of school council nominated by the school council.
- Middle Indigo school council will determine how refunds will be processed and any refunds processed through the EFTPOS terminal [N/A – No EFTPOS terminal at this school) will be recorded in a refund register.
- Middle Indigo Primary School will undertake maintenance and upgrading of hardware and software as required.
- Middle Indigo Primary School will ensure proper retention/disposal of all transaction records relating to accounts such as purchase orders, tax invoices/statements, vouchers, payroll listings and relevant CASES21 reports.

EFTPOS

- The Principal of Middle Indigo Primary School will ensure all staff operating the merchant facility are aware of security requirements. At our school, this includes: two signatories required to authorise all payments online after both have signed documentation to authorise the payment.
- School council minutes must record which staff are authorised to process transactions.
- No "Cash Out" will be permitted on any school EFTPOS facility.
- Middle Indigo Primary school council has approved a minimum refund amount of \$10 and a maximum refund amount of \$200.

Direct Debit

- All direct debit agreements must be approved and signed by school council prior to implementation.
- The school council requires all suppliers to provide tax invoices/statements to the school prior to direct debiting any funds from the school's account
- A direct debit facility allows an external source such as Vic Super and DET for SLP to a pre-arranged amount of funds from the school's official account on a pre-arranged date. Any such payments will be authorised as appropriate and required.
- Middle Indigo Primary school will ensure adequate funds are available in the Official Account for the "sweep" of funds to the supplier.

Direct Deposit

- Middle Indigo Primary utilises a "two user authorisation of payments" banking package, as it contains a greater degree of security and access controls.
- Creditor details will be kept up to date and the treatment of GST for creditors will be monitored.
- Payment transactions will be uploaded as a batch through the CASES21 system.
- All payments made through the internet banking system must be authorised by two authorised officers.
- The various internal controls that need to be considered include:
 - the identification of staff with administrative/authorisation responsibilities (cannot be the Business Manager)
 - the identification of payment authorisers [the Principal and other designated officer]
 - the allocation and security of personal identification number (PIN) information or software authorisation tokens
 - the setting up of payee details in CASES21
 - the authorisation of transfer of funds from the official account to payee accounts
 - alternative procedures for processing, using the direct deposit facility, for periods of Business Manager's and Principal leave of absence.

BPay

Middle Indigo school council will approve in writing the school council's decision for the utilisation of BPAY.

Payments made by BPay are subject to the same requirements as for all transactions relating to accounts such as:

- purchase orders
- tax invoices/statements
- payment vouchers
- signed screen prints and payee details
- relevant CASES21 reports etc.

This includes a requirement for the principal to sign and date BPay transaction receipts attached to authorised payment vouchers.
