## 27/7/2021

### Fox and Drey – Boulton Round Australia

So far, they have swam in a number of beaches and fished and camped out most nights.

The highlights have been the Whale Shark adventure and the Tiger Shark swim in the Indian Ocean.

They are now heading into the outback via the Gibb River Road and then onto the Northern Territory. They will return for fourth term.

### Heather Earles Last day

Our lovely Art Teacher, Ms Earles has left for maternity leave. Heather plans on being away for a long time.

The students and staff organised a going away party and supplied a number of gifts and baby essentials for her upcoming parent adventure.

Fox and Drey, and Mum and Dad (Briony and Ty) are on the journey of a lifetime travelling around Australia.

We have had three Webex meetings with them as they travel up the West Australian Coast.

Heather has been an amazing art teacher and a big part of the student's schooling.

We wish her all the best with the birth and will no doubt have baby photos soon

# MIDDLE INDIGO - RURAL LIVING LEARNING AND BEYOND

## Fly Fruit Fly Circus Performance

The students are scheduled to attend the Fruit Fly Circus performance in Yackandandah next Wednesday. So far we are expecting the performance to go ahead. Students will depart school at 1:00pm and return by 3:15

## Covid Lockdown

Once again the staff and students have gone into remote learning. And again, they have adapted to remote learning without too much difficulty. Obviously it is not ideal; but I am proud of the work the staff and students put in, in these difficult times.

A number of students had to come to school for various reasons, though they also worked via WEBEX and Google Classroom.

They have managed to make a number of delicious things in the kitchen and also managed to make a significant mess in the library each day as well. Suffice to say, Mr James put on weight during lockdown .... again.
