### **Yack Orchestra**

The senior class headed to Yackandandah Hall last week to attend the Melbourne Chamber Orchestra performance. The orchestra was made up of twenty-five musicians ranging from violin and cello to French horns and the oboe. The orchestra belted out a few old hits for the students and then the fun began.

The class had learnt a song – 'Down in the Kitchen,' earlier in the week. Along with the Yackandandah Primary students, the students then learnt to sing the song in two-part harmony along with the orchestra. It was a great effort by all involved and I am happy to say that the song sounded terrific.

A big thankyou to Robbie and the bus and to Fiona for support at the event. In addition, a big thankyou to our students for getting stuck in and having a go as well as being very well behaved.

Happy Singers!

### **The Cow (Indigo)**

Mrs Edwards and the students have put colour to our cow – Indigo. She looks absolutely fabulous with her new look. She is dressed for any occasion with different looks on both sides of her.

Well done to Tristan and Justin for the design of Indigo and for helping to paint her. And a big thankyou to Mrs Edwards for organising everything.

The next stage of Indigo's journey is the placement of her somewhere in or on the school grounds.
